HYP HIRES NEW EXECUTIVE DIRECTOR

Organization Welcomes Meghan Bachmore

HARRISBURG, Pa. (January 24, 2022) – Harrisburg Young Professionals (HYP) is pleased to announce Meghan Bachmore as their new Executive Director.

Meghan brings experience from her time as Membership Services Director at the Harrisburg Regional Chamber and Capital Region Economic Development Corporation, managing their membership strategy and direction. A graduate from Shippensburg University of Pennsylvania with a Bachelor of Science in Business Administration, Meghan uses her background in sales to connect with others in the Harrisburg region. Last year Meghan was selected as an HYP honoree for 20 in Their 20's, which recognizes 20 of Harrisburg's outstanding young people making a meaningful impact in their community and their workplace. She was also awarded Someone to Tell It To's Care To Listen Impact Award for her exemplary dedication to compassionate listening and servant leadership.

"We are thrilled to welcome Meghan to our organization" says Jade Honey, HYP President. "Meghan values deep, authentic relationships with others and wants to make a difference in her community. She has the qualities and leadership we need to write the next chapter for our organization. We are excited to welcome her to HYP!"

On February 23, 2022, HYP will host its 24th Annual Meeting and Awards Night at The National Civil War Museum, providing an opportunity for the community, HYP membership, leadership and board to meet Meghan in-person and welcome her to the organization.

Harrisburg Young Professionals - Harrisburg Young Professionals (HYP) is a group of young, active, civic-minded professionals who have a clear vision of Harrisburg's future as a great place to live, work and play. We are part of a movement that is breathing new life into urban areas and lessening the negative impact of suburban sprawl. We also work to prevent the migration of educated young people to larger cities (often referred to as "brain drain") and to encourage those who have left to return to the Central Pennsylvania region.
